### **3.6.1      Introduction**

Member Handbooks are intended to provide information to behavioral health recipients and potential enrollees regarding the availability of services in the public behavioral health system. The Member Handbook provides information regarding how to obtain services, what services are available, what service limitations exist for Title XIX/XXI and Non-Title XIX/XXI persons and behavioral health recipient rights and responsibilities, among other topics. This information is imperative in ensuring that behavioral health services are accessible.

### **3.6.5 Definitions**

#### [Limited English Proficiency](#)

### **3.6.6 Objectives**

To establish the responsibility of providers to distribute member handbooks to new enrollees and all persons receiving behavioral health services.

### **3.6.7 Procedures**

#### **3.6.7-A. Distribution**

Member handbooks must be distributed to persons receiving behavioral health services within 10 days of their first service. Member Handbooks must be available and easily accessible at all provider sites and each T/RBHA website. Upon request, copies must be made available to known consumer and family advocacy organizations and other human service organizations. Persons receiving behavioral health services have the right to request and obtain a Member Handbook at least annually.

ADHS/DBHS may require the T/RBHAs to revise the Member Handbook and distribute it to all current enrollees if there is a significant program change. ADHS/DBHS determines if a change qualifies as significant.

Providers can contact their provider relations liaison at Magellan to request additional copies of Member Handbooks or e-mail [MaricopaCommunityRelations@MagellanHealth.com](mailto:MaricopaCommunityRelations@MagellanHealth.com).
