6.1.1 Introduction

Upon rendering a covered behavioral health service, billing information is submitted by behavioral health providers as a “claim” or as an “encounter.” Some behavioral health providers are reimbursed on a fee-for-service basis (these providers submit “claims”) and others are paid on a capitated basis or contract under a block purchase arrangement (these providers submit “encounters”).

The intent of this section is to:

- Identify general requirements for submitting claims data to AHCCCS;
- Identify procedures and standardized forms for submitting claims data to AHCCCS;
- Articulate the timelines for submitting billing information.

For information on procedures for submitting claim/encounter data to the RBHA, see [Provider Manual Section 6.2, Submitting Claims and Encounters to the RBHA.](#)

6.1.3 Scope

To whom does this apply?

All behavioral health providers contracted with a Tribal RBHA that submit claims to AHCCCS.

6.1.4 Did you know...?

Submission of legible and accurate billing data facilitates timely reimbursement for fee-for-service providers.

- Paper claims are not considered legible if they contain highlighter or color marks, copy overexposure marks or dark edges.
- Behavioral health providers must not bill, nor attempt to collect payment directly or through a collection agency from a person claiming to be AHCCCS eligible without first receiving verification from AHCCCS that the person was ineligible for AHCCCS on the date of service, or that services provided were not Title XIX/XXI covered services.

6.1.7 Procedures

6.1.7-A. What general requirements apply to Tribal Fee-for-Service providers when submitting claims?

All paper claims must be submitted using the [CMS 1500](#), [UB-04](#) or the Universal Pharmacy Form. For specific billing instructions, see [AHCCCS Billing Manual for IHS/Tribal Providers](#).

Providers must use the following forms to submit paper claims:

- [The CMS 1500 \(formerly HCFA 1500\) Claim Form](#) is used to bill non-facility services, including professional services, transportation and independent laboratories.

- The [UB-92](#) (formerly HCFA 1450) Claim Form is used to bill all hospital inpatient, outpatient, emergency room, hospital-based clinic and residential treatment center services.
- The Universal Pharmacy Claim Form is used by pharmacists to bill pharmacy services using NDC codes.

All claims or copies of paper claims:

- Must be legible and submitted on the correct form.
- May be returned to the provider without processing if they are illegible, incomplete, or not submitted on the correct form.

HIPAA regulations specify the format for the submission of all electronic claims submitted to AHCCCS.

- HIPAA Format 837P is used to bill non-facility services, including professional services, transportation and independent laboratories.
- HIPAA Format 837I is used to bill hospital inpatient, outpatient, emergency room, hospital-based clinic and residential treatment center services
- HIPAA Format NCPDC is used by pharmacists to bill pharmacy services using NDC codes.

If more information is needed regarding electronic submission of claims to **AHCCCS**, please contact AHCCCS Electronic Claims Submission Unit at (602) 417-7670 #4.

What happens after a claim is submitted

Submitted claims for services delivered to a Title XIX or Title XXI eligible person will result in one of the following dispositions:

- Denied;
- Pended; or
- Approved.

Denied claims: Claims are typically denied because of a discrepancy between form field(s) and AHCCCS' edit tables. A denied claim may be resubmitted as long as the claim is submitted within **12 months of the date of service**. Tribal RBHA claims will be denied in the event the claim is untimely, illegible or incomplete.

Pended Claims: A claim may stop processing and "pend" for internal review when the error detected concerns data or procedures that may be resolved by AHCCCS. Internally pended claims are generally processed without further information from the provider.

Approved claims: Approved claims have passed the timeliness, accuracy and completeness standards and have been successfully processed by AHCCCS.
