#### **Revision to Electronic Data Interchange (EDI) Layouts and Magellan's Submit Intake Online Application**

The Arizona Department of Health Services/Division of Behavioral Health Services recently revised their Demographic Data Set Users Guide (DUG). On December 28, 2009, we sent out Provider Notice 105 with a link to the new DUG. In this notice, we provide additional clarification, as the changes to the DUG also resulted in changes to the EDI file layouts and Magellan's Submit Intake Online Application.

Please be advised that these changes will be effective Monday, January 25, 2010. To prepare for the upcoming changes and to validate readiness, **providers using EDI enrollment transactions are required to contact Magellan's EDI Support team** at [MaricopaEnrollmentSupport@MagellanHealth.com](mailto:MaricopaEnrollmentSupport@MagellanHealth.com) to schedule and coordinate testing. Testing must be completed no later than January 20, 2010.
