Youth will have the opportunity to meet face-to-face with Arizona State Representatives, Senators and staff to share ideas on how to reduce stigma, improve services and educate our community on mental health, substance abuse, and foster care-related issues.

MY LIFE (Magellan Youth Leaders Inspiring Future Empowerment) consists of youth between the ages of 13 to 23 who have experience with behavioral health, substance abuse and/or foster care-related issues. Through regular meetings and local and national workshops, presentations and performances, the group focuses on important issues affecting youth. MY LIFE also advises the Maricopa County Regional Behavioral Health Authority (RBHA) on ways to improve its children's system of care and the transition to the adult system.
