

## General Provider Communication

Maricopa County Regional Behavioral Health Authority  
Magellan Health Services of Arizona, Inc.

Dear Provider,

Magellan Health Services of Arizona is firmly committed to building a RBHA for Maricopa County that is community-driven - a model that is focused on recovery and resiliency and is accountable for superior program outcomes.

To support this notion and recognize the feedback of our service recipients, their family members and our community stakeholders, Magellan will now host its monthly Shared Governance Board meetings in the evening. After much consideration the Board feels the meeting time change is necessary to accommodate increased recipient, family member and community attendance.

**Formal Board meetings will now take place from 5 to 7 p.m.**, monthly on the third Wednesday of each month at the Magellan of Arizona offices in Phoenix (*please note meetings are subject to change*). Board meetings are open to the public.

Magellan established a 12-member Magellan of Arizona Governance Board, which consist of six Maricopa County community representatives and six Magellan representatives. The Board is responsible for giving community stakeholders a true voice and shared decision-making authority in shaping the vision, strategy and oversight of Maricopa County Regional Behavioral Health Authority.

We hope to see you at our next Board meeting scheduled for Wednesday, Feb. 17. To view the 2010 Shared Governance Board Formal Meeting Schedule, please click [HERE](#).
