

## General Provider Communication

Maricopa County Regional Behavioral Health Authority  
Magellan Health Services of Arizona, Inc.

Dear Provider,

Magellan of Arizona reminds you that the implementation update to the Demographic is scheduled to occur Monday, January 25, 2010. To prepare for the update, all providers using EDI files are required to complete testing of their EDI processes. **Testing your EDI processes before implementation is important to ensuring you are prepared to support the update; therefore, you are required to complete testing by January 20, 2010.** Please coordinate testing by sending an e-mail to: [MaricopaEnrollmentSupport@MagellanHealth.com](mailto:MaricopaEnrollmentSupport@MagellanHealth.com).

[Click here](#) to access an updated Demographic File Layout spreadsheet. Please note that in Magellan field number 147 or DUG field 108, Social Support of Recovery, the "Valid Values" remain 1, 2, 3, 4, 5; however, the definitions have been updated as shown below to mirror the newest version of the DUG.
