

General Provider Communication

Maricopa County Regional Behavioral Health Authority
Magellan Health Services of Arizona, Inc.

Dear Provider,

Magellan is pleased to bring you the *Provider Weekly* for the week of January 25, 2010.

This week Magellan of Arizona offers the following stories:

- Learn the latest about mental illness and the legal system
- Advocating and advising on behalf of service recipients
- More training opportunities for the first quarter of 2010
- Let your clients know: 2010 Census jobs are available
- Substance abuse and mental health group starting Feb. 5
- A letter from Dr. Richard Clarke
- DVU Hot Topic: CMS changes to consultation codes for Medicare beneficiaries
- January 18 weekly recap
- Early registration deadline upcoming for AZAPT 15th Annual Conference

Click [HERE](#) to access this week's issue.

Thank you!

If you have questions or comments about the information in this newsletter, please contact your provider relations liaison or Magellan's Community Relations Department at MaricopaCommunityRelations@MagellanHealth.com.
