

General Provider Communication

Maricopa County Regional Behavioral Health Authority
Magellan Health Services of Arizona, Inc.

Dear Provider,

Magellan is pleased to bring you the *Provider Weekly* for the week of February 8, 2010.

This week Magellan of Arizona offers the following stories:

- Don't miss a special screening of "MINDS ON THE EDGE: Facing Mental Illness"
- Alliance for Children and Families offers civic engagement grants
- Thanks for participating in the 2010 Provider Network Inventory
- Collaboration on rosters
- Encourage your clients to complete the U.S. Census
- Obama administration issues rules requiring parity in treatment of mental, substance use disorders
- February 1 weekly recap
- Reminder: "Mental Illness and the Legal System" coming up

Click [HERE](#) to access this week's issue.

Thank you!

If you have questions or comments about the information in this newsletter, please contact your provider relations liaison or Magellan's Community Relations Department at MaricopaCommunityRelations@MagellanHealth.com.
