

**Magellan of Arizona/Maricopa RBHA
 QI Committee Meeting Summary**

Meeting Name: Prevention Advisory Committee
Meeting Date: December 3, 2007

Key Topics	Decisions/Outcomes
Prevention Update	Prevention is now under the Recovery and Resiliency Department.
Concerns About Potential Conflicts Between Coalitions and Agency Governance Boards	It was recommended that a member of the coalition could be given a voting chair on the Board of Directors.
Concerns with Coalition Requirement	Duplication of services, loss of services, loss of comprehensive services, target areas and the training of coalition members.
Credentialing Process	Governor's Office Workforce Development Committee is reviewing proposal for credentialing of statewide prevention professionals and researching other credentialing programs. Concerns expressed about funding to increase the credentials of staff members. SAMHSA Pathways to Prevention online course will be a new requirement for Prevention Staff before going out into the field.
