

General Provider Communication

*Maricopa County Regional Behavioral Health Authority
Magellan Health Services of Arizona, Inc.*

Dear Provider,

Magellan Health Services of Arizona recently updated our system to identify and track special populations within the non-titled/non-SMI group. The non-titled/non-SMI group is currently assigned to the MAR 12 category. We have changed MAR 12 to identify non-titled/non-SMI crisis enrollees. In addition, we have added three additional MAR categories. Please be aware that this change is effective today, July 1, 2009. Please click the hyperlink below to obtain additional information on this change.
