

RBHA QI Committee Fact Sheet

Committee name: Prevention Advisory Committee (PAC)

Description: Review QI information sources and system performance specific to prevention services. The committee recommends performance improvement initiatives to the QIC, and assists with implementation of initiatives and stakeholder education. The PAC is co-chaired by a program participant elected by the committee. Membership includes program participant, advocacy, and PNO/CRN/QSP provider representatives, as well as the Magellan prevention services manager.

Committee members:

- Internal members:
 - Service recipient selected by committee (chair TBD)
 - Chief Recovery and Resiliency Officer
 - Prevention Manager (co-chair)
 - Chief Quality Officer
 - External Members:
 - Service recipients and/or family member* (three TBD)
 - Stakeholder and/or community member (two TBD)
 - PNO/CRN/QSP provider representative
- * Stipend, eligible committee member: \$35

Meeting date and time: TBD

Frequency: Quarterly

Length of meeting: One hour

Required meeting materials: Agenda and minutes

Goals: What is the purpose of the PAC meeting?

- To review QI information sources and system performance specific to prevention services.
- To make recommendation on performance improvement initiatives to the QIC.
- To assist with implementation of initiatives and stakeholder education.

Objectives: What tasks will occur to accomplish the goals?

- Review and comment on the RBHA QI program, including a description of the program and report on progress in meeting goals. Review and comment on the written provider accessibility and availability standards, conclusions, recommendations and actions taken.
- Review and comment on design and implementation of the RBHA prevention activities as applicable.

Outcomes - Success will be measured by the:

- Number of recommendations on performance improvement initiatives to the QIC
- Number of initiatives implemented and the number of stakeholders educated
